Dear Chairman Bittersmith- Web

Please consider this email as our official request

We want to let you know that we do object to all the additions APS is proposing in the attached letter. On behalf of all the residents I represent, we strongly object to the additions that APS is proposing. Many of us have jobs and we are unable to attend the meeting tomorrow. I am sure by now that you have discovered the **Truth is not APS's strongest point.** they have lied to you and the commission and all involved. The scare tactics they used that the lights would go out if they don't install the power lines by June, apparently was nothing but a form of intimidation to convince all of you of the lies. **How does a commission with so many bright folks tolerate this nonsense from a private company?**

The Arizona Commission must stop this and hold APS accountable. We don't have the funds that it takes to expose them, but I can assure you, we have a lot of passion to return to demonstrations and media..... we are ready for round two if you approve their plan.

Sincerely

Joe Mansour

As you can see from the attached. APS is building a power facilities near us again. initially they stated to the city and AZ commission they must have these power lines by June....
Now they are asking for extension. Truth is not their strongest point as we can see.

The Arizona Commission is holding a meeting on April 14 or 15 next week. More destruction to our neighborhood. Please attend with signs objecting to more destruction.

Please see attached notifications I received

BEFORE THE ARIZONA CORPORATION COMMISSION
Docket No. L-00000D-04-0127, Case 127
West Valley-North 230-kV Power Line and Substation Project

NOTICE OF OPEN MEETING

An Open Meeting will be held by the Arizona Corporation Commission (Commission) regarding Arizona Public Service Company's (APS) request to extend the term of the Certificate of Environmental Compatibility (CEC) in the above referenced docket. In Decision No. 67828, the Commission granted APS authorization to construct approximately 25 miles of a double-circuit 230kV transmission line with a 69kV underbuild, one 230kV substation, and one 500kV/230kV substation. APS has requested an extension for an additional five years to May 5, 2020 for the first circuit of the 230kV transmission line, and for an additional five years to May 5, 2030 for the second circuit. Additionally, APS gives the Commission notice that the Trilby Wash Substation (formerly TS1) is located on up to 15 acres of land.

The Open Meeting will be held at the Arizona Corporation Commission, 1200 West Washington Street, Phoenix, Arizona 85007, Hearing Room One on April 14 or 15, 2015 at 10:00 a.m. We encourage you to monitor the Commission's website at www.azcc.gov for the specific date and time the Commission plans to consider the time extension.

More information is available at www.aps.com/siting. Questions on the project may be directed to D. Brad Larsen, Senior Siting Consultant, APS Transmission and Facility Siting Department at 602-493-4338 or by email at D.Brad.Larsen@aps.com. A copy of the Company's application is available on the internet via the Commission's website at www.azcc.gov using the eDocket function or at the Commission Office.
